PCSO Susan Holmes from the North Wales Police attended the meeting, apologising for her non-attendance at recent meetings due to holidays and staff absences. The PCSO has however been in regular email contact with the Clerk during this period. The area now has a new Inspector, Mr Dave Jolley, who is based at Deeside. The PCSO reported that an application for Grant funding amounting to £200 has been successful to support the Gronant Halloween Party, to be held on the 31st October at the Gronant Institute from 5.30pm to 7.30pm. An application for funding for property marking, targeting more expensive bi-cycles has also been successful, and this will be advertised on the North Wales Police Twitter and Facebook pages. The PCSO is hopeful this will also be included on the OWL-LINK pages on the Police web-site.

Cllr Chilton indicated he had not seen a Police presence in the village of Gronant for some time, however the PCSO advised there had been several issues of ASB that had been dealt with, confirming their presence. Cllr Williams advised there had been several issues involving 'drones' within Gronant, and asked whether these were covered under any laws. It would appear that there may be some issues under privacy laws, which the PCSO will look into.

Cllr G Banks advised that there have been issues of children congregating by the pensioners' bungalows in Ffynnongroyw, playing loud music and making a mess of the area. The PCSO agreed to look into this matter.

The PCSO requested that any issues could be reported to her via the Clerk as they arise. The Chairman thanked the PCSO for her attendance.

The following Planning Applications were received:

054308 Alterations and loft conversion to provide additional bedrooms and living area and alterations to vehicle access at Bron Eifion, Ffynnongroyw, Tanlan.

There was some discussion regarding the applications at Westbury Castle and Bron Eifion. We have previously submitted objections to the 'access' applications for Westbury Castle, however these applications deal with internal arrangements and repositioning of gas tanks.

The applications with regard to Bron Eifion raised some discussion as members agreed that, if approved, this would create traffic and vehicular problems in the area. The application to convert the loft at the property would dwarf the property next door.

RESOLVED:

Objection to be submitted against the planning application numbers 054329 and 054308.

6. **ACCOUNTS:**

RESOLVED

That the accounts, as submitted, be approved for payment.

7. **CHEQUES FOR PAYMENT:**

8. **AOB:**

Cllr Chilton gave a report on the ongoing discussions regarding the traffic calming measures on Llanasa Road in Gronant. There would appear to be equal numbers both for and against the removal of the 'Speed Humps' and it was felt that we should request an analysis of accidents both before and after these measures had been introduced. Cllr Gilmore advised that in the 10 years since the introduction of these measures, he believed there had been only 1 accident, and that was reportedly down to driver error. Cllr Gilmore quoted a recent article from the Evening Leader where Mr Steve Jones of the Flintshire County Council Street-scene Department is reported to have indicated the decision process on traffic calming measures throughout Flintshire was to be passed to the Community Councils. Members were reminded during discussions that Llanasa Community Council had provided equal funding for the introduction of these measures, and could be expected to at least provide 50% of the costs of their removal if this campaign was successful.

RESOLVED

We should request analysis information on accidents from Flintshire County Council .

In connection with the proposed closure of the local school, Cllr G Banks reported that some local residents have indicated they would take their children to Ysgol Mornant, Picton however there were problems in getting to the school. There have been some discussions regarding getting a transport provision to the school, and asked whether the Council would be willing to help with financial support.
