2. **MINUTES**

The Minutes of the previous Meeting of the Council held on the 21st June 2016, were approved as a correct record, and signed by the Chairman.

3. **NORTH WALES POLICE**

PCSOs Susan Page attended the meeting and advised Members it had once again been a quiet month as far as Police matters were concerned, and invited Members to ask any questions.

Cllr D Banks raised the question of the horsebox advertised for sale on the Coast Road near to Lobitos. PCSO Page advised members that this matter was in fact the responsibility of the Enforcement Officer of Flintshire County Council, however she had visited the owners of the horsebox prior to the meeting, and advised them to remove the item from the roadside. Cllr Gillmore advised members the Enforcement Officer has been known for in-action for a long period.

### **RESOLVED**

We should write to the Enforcement Officer with an invite to attend our September meeting.

Cllr Chilton asked what was the Police response to fly-tipping, as he had seen approximately 20 bin-bags left in the Gronant area. We were advised that this matter is the responsibility of the Street-scene department of the County Council.

Cllr Williams reported a tramp has been seen at various locations in the area. PCSO Page confirmed that the Police were aware of the individual and have spoken to him. It would appear that the gentleman has been seen in Trelogan and Gronant, and Cllr Gillmore confirmed he has been making tea in Llanasa Church.

Cllr Williams reported there had been incidents of 'off-roaders' in the woods off Abbey Drive, Gronant. The Police would attend if they are advised of the next incident.

Cllr Luke questioned whether the 20mph signs outside schools were a recommendation or whether this was enforceable. PCSO Page confirmed that at present it was only a recommendation.

There has been a complaint from a local resident, Mr Stokes, in connection traffic speeding along Station Road, Talacre. PCSO Page confirmed that speed cameras had been in operation however this was unlikely to prevent speeding vehicles in the long term. We were advised that there is a link on the NW Police website to 'Community Speed-watch' which may be of some assistance. Further requests have been made for the 'Arrive-Alive' vans to be situated in the area without much success, as the vehicles are required across the Flintshire and Wrexham areas.

There being no further questions, PCSOs Page left, and was thanked for her attendance.
