PRAYERS:

1. **APOLOGIES FOR ABSENCE** were received from Councillors Ms S Braun, Mrs E J Roberts, Councillor N Steele-Mortimer and PCSO Susan Page.

2. **NORTH WALES POLICE**

PCSO Craig Williams attended the meeting and advised members it was a relatively quiet period as far as the North Wales Police were concerned, with little to report. PCSO Williams invited members to raise any matters;

Cllr D Brown raised the incident of a vehicle regularly parking on a hill and a blind corner in Axton, which was felt could cause an accident. PCSO Williams asked for details and would look into this matter.

Cllr Chilton once again raised the issue of vehicles parking across the traffic calming measures on Llanasa Road, Gronant. Members were advised that the Police had been to see the owner of the vehicle, and would make a further visit.

Cllr Thompson commented on speeding vehicles in the vicinity of Picton school, despite there already being 20mph signs in place. It was pointed out that these incidents appeared to happen mainly in the mornings, and generally at school opening and closing times.

Cllr Mrs Redford advised that similar problems were being encountered near the school in Trelogan, and there were no footpaths or safe routes for children.

PCSO Williams advised that this was a problem for many village schools throughout Flintshire. It was suggested that Councillors may wish to get involved with the Community Speed-watch Scheme, in which members of the public were provided with 'speed-guns' and any information provided to the police was followed up with a letter to the offenders.

Cllr Owen asked whether vehicles could overtake along the stretch of 'dual-carriageway' on the Coast Road from Lobitos Garage to the Bells of St Mary's public house. There was some discussion on this matter with opinion being split.

Cllr G Banks commented that the presence of Speed Camera vehicles should be more prevalent in this area. PCSO Williams advised that in general the locations were decided upon incidents, but also via reports provided through the Community Speed-watch scheme.

PCSO Williams was thanked for his attendance.

3. **MINUTES**

The Minutes of the previous Meeting of the Council held on the 18th October 2016, were approved as a correct record, and signed by the Chairman.

4. **CORRESPONDENCE**

Copies of correspondence between Mr David Hanson MP, Mr Alan Roberts and Mr Richard Roberts in connection with the Match Funding Scheme for 2016/17, and the Children's Play Area at Bryn Garth, Penyffordd. This item caused considerable discussion, as members expressed it was our intention to provide funds for the re-furbishment of this area during the current year.

RESOLVED

We should request a brochure for information.

Copies of email correspondence between the Chairman and the Reverend Dot Gosling of Llanasa Church.
