Councillors

I hope everyone is keeping safe and well, and managing to get some normality back. It has certainly been a strange year so far, not what we all hoped for on 1st January!

It would appear that the National Association of Local Councils have now changed their advice that physical meetings may recommence, with social distancing measures in place, in light of the easing of the lockdown restrictions. I am expecting our September meeting to take place on its scheduled date, 15th, although I will be meeting with the Head-teacher at Ysgol Bryn Garth in early September and will confirm arrangements after that.

The following events and matters affecting Council since June:

- **Street-lighting Upgrade:** MEGA Electrical have indicated the street-lighting upgrade work has recommenced and are planning for completion by the end of August. Salix Finance are also expecting completion by the end of the month in order that the balance of the funding can be released.
- **Defibrillator Equipment:** I am pleased to confirm that a further set of defibrillator equipment has been installed in the village of Llanasa, situated at the Village Hall opposite the church.
- **Children's Summer Play-scheme.** The summer Play-schemes commenced on the 17th August 2020. I have been advised by Janet Roberts of Flintshire County Council that there are still places available for children at each of our three locations. If you are aware of any children that may be interested, please ensure that pre-registration procedures are adhered to. Following agreement from Councillors, Llanasa Community Council will be covering the costs of lunches provided for children attending the Play-scheme at all three locations.

The following invoices have been received for payment, and I will prepare cheques for payment in due course.

Cheque Number	Payee	Amount	Power
101846	Scottish Power	1066.60	Highways Act 1980, s301

Please find enclosed a copy of the latest budget monitoring statement. Please let me know if you have any queries.

Best regards, keep safe
